

“Clear Track” Train Display Campaign

The Bartlesville Rotary Club is spearheading a public fundraising campaign to complete the Depot Train Display to commemorate the club’s 100th anniversary.

The expansion and improvements to the display include the addition of a century-old oil tank car, further restoration inside the caboose, a video kiosk next to the depot visitor information center, and new benches and display panels.

Your Thank You for Donating

A paver brick recognition area is being created directly in front of locomotive No. 940 to thank campaign donors. Donors provide their personalized brick inscriptions. All donations are managed by the Bartlesville Community Foundation and are tax-deductible.

Donors will be acknowledged in the following manner:

- **Donations of \$250 or more receive a 4×8-inch inscribed brick.**
- **Donations of \$500 or more receive an 8×8-inch inscribed brick.**
- **Donations of \$1,000 or more receive a 12×12-inch inscribed brick.**
- **Each donor of \$250 and above also will receive a T-shirt bearing a photo of locomotive No. 940.**
- **Any contributor giving \$100-\$249 will receive a 940 T-shirt.**

Brick and T-Shirt Order Forms are on next pages.
